OUR TIMELINE

2016

Our journey began in a rented space, crafting aluminum items on a rented Floor , igniting the genesis of our "Industry" wing with precision and flair.

2017

As growth propelled us forward, we transitioned from our humble rented floor to a small manufacturing unit strategically positioned near our main branch, marking a significant stride in our expansion journey.

2018

Continuing our expansion, we inaugurated two new branches specializing in steel and nails (kanti), fortifying our presence and diversifying our expertise to meet evolving market demands.

2019

In the mid of our success, we were achieving our goals and gaining recognition throughout our state. Expanding our footprint, we aimed to establish outlets not only across our district but also in neighboring districts, fueling our mission to serve our community with excellence.

2020

In 2020, the onset of the Corona Pandemic brought forth unprecedented challenges, marked by the commencement of a nationwide lockdown on March 25th. Subsequently, our sales plummeted, posing significant hurdles during a crucial phase of our growth journey.

2021

During the splitting era of the Corona Pandemic and ensuing prolonged lockdown, lasting nearly two years, we faced the fearsome reality of discontinued operations at our nail (kanti) factory. As time progressed, the weight of our losses became palpable, bringing our anticipated ventures to a stoppage, casting a shadow over our future endeavors.

2022

Post-lockdown, we embarked on a slow but steady path to recovery, grappling with the aftermath of the pandemic nightmare. Yet, our enduring resilience kept us firmly anchored in the field, determined to forge ahead despite the challenges.

2023

With the nightmare of that period behind us, we stride forward with renewed vigor, resolute in our determination to surpass our previous accomplishments and reclaim our trajectory of growth. Expect an show of exciting new programs and events on the horizon, as we gear up to showcase our unforgiving chasing of excellence within a short span of time. Stay tuned for what lies ahead as we embark on this exciting journey together.
